The art of wallcovering

SMALL WORLD

LAB NILAYA

Reinterpret.
Reimagine.
Reinvent.
Refresh.

Lab Nilaya is the creative core of the Nilaya wall covering brand. Here an interdisciplinary team of designers rediscovers the bounty of India's lively arts and crafts traditions through a fresh and modern lens – and creates brand new visual adventures. Driven by “an Indian heart and cosmopolitan soul”, their pursuits connect the past to a fascinating future, and forge relationships of wonder between people and places.

SMALL WORLD

There's a busy
garden on a
summer day

There are lovable
Indian animals

There's a gameboard with
plenty of cool things

Picture-book colours, engaging
fun, and even a little bit of
learning. The wallpaper patterns
of Small World are treats from a
kid's eye view.

Rich illustrations are filled with
expression. Beautiful textures that
include sketch pen, watercolour,
chalk and crayon effects, turn a
child's room into a small adventure.
